

# Out-of-Network Reimbursement with Better

---

*\* indicates a required field*

## **\* Is your insurance company Medcost?**

- ☐ Yes - mark this circle and leave the rest of the form blank
- ☐ No - continue with the rest of the form

If you haven't already done so, you can call your insurance company and ask them what is required for you to submit a "Superbill" from your counselor to receive reimbursement checks for any OON (out of network) benefits you may have.

Alternately, you can sign up for an account with the Better app where you can forward your monthly Superbills and Better will handle the rest. Lynette Stewart & Fortitude Counseling, PLLC do not receive any benefits or compensation for making you aware of this product. It is simply an app option that is integrated for use with our billing software and can provide convenience to our OON clients.

If Better files a claim/s for you and your insurance company does not reimburse you any money (like if your payment is simply going toward an OON deductible), Better is free of charge. Better ONLY charges you if you receive a reimbursement check from your insurance, and at that time they charge you 10% of the reimbursement amount.

Signing up for a Better account only takes 1-2 minutes! Simply download the Better iPhone app or sign-up online, take a photo of your insurance card, and Better handles the rest!
